THE TOWN OF MEDWAY'S COMMUNITY CHOICE POWER SUPPLY PROGRAM

The Town of Medway is announcing the new rates and term for its Community Choice Power Supply Program through its new electricity supplier, **First Point Power**. The Town's new aggregation rates are fixed **for all rate classes for 24 months (September 2026 to September 2028)** as follows:

Program Product	Current Rate (Supply Only)	New Rate (Supply Only)	Renewable Energy Content*
Standard (default)	\$0.12140 per kWh	\$0.15681 per kWh	Meets MA renewable energy requirements
Optional	\$0.15130 per kWh	\$0.18337 per kWh	100% MA Class I RECs
<i>[Rates apply to service beginning and ending on the days of the month that your meter is read in your service area. This date varies by account.]</i>			
<i>*For a detailed breakdown of MA renewable energy requirements by year, please visit colonialpowergroup.com/massachusetts-renewable-energy-requirement.</i>			

For comparison purposes, Eversource's Basic Service rates are fixed from August 1, 2026 through January 31, 2027 -- Residential at \$0.17323 per kWh and Small Commercial & Industrial at \$0.16761 per kWh.

No action is required by individual consumers. All accounts currently enrolled in the Town's Program will be switched to First Point as of the September 2026 meter reads. This change will be noted on the September 2026 bills and will be seen on the October 2026 bills. Consumers with questions about the Program should call Colonial Power Group, the Town's aggregation consultant, at (866) 485-5858 ext. 1.

For more detailed information about the Town's Program, including how to OPT-OUT or OPT-IN, to change your current product selection, or to access Eversource's Basic Service rates, please visit colonialpowergroup.com/medway or call First Point at (888) 875-1711. You may OPT-OUT or OPT-IN at any time in the future with NO CHARGE.

Basic Service rates change twice a year or more, depending on rate class. As a result, the aggregation rate may not always be lower than the Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against Eversource Basic Service. However, future savings cannot be guaranteed.
