DO NOT DISCARD – IMPORTANT Notice Regarding Electricity Rates

THE TOWN OF NEW MARLBOROUGH’S COMMUNITY CHOICE POWER SUPPLY PROGRAM CONSUMER NOTIFICATION

September 15, 2026

Dear New Marlborough Basic Service Consumer:

The Town of New Marlborough is pleased to announce that **First Point Power** (“First Point”) has been selected as the supplier for its Community Choice Power Supply Program (“Program”). This Program is a municipal aggregation which enables local government to combine the purchasing power of its residents and businesses to provide them with an alternative to National Grid Basic Service (M.G.L. c. 164, § 134). This Program only affects the supply portion of your monthly bill. It will not affect the delivery portion of your monthly bill. National Grid will continue to deliver your electricity but New Marlborough has chosen the supplier for the Program. First Point will provide electric power supply for all consumers currently on Basic Service in New Marlborough. This letter is intended to tell you about this Program for electric power supply. In accordance with state law, it also informs you of your rights and options if you choose not to participate in the Program.

- ✓ **YOU WILL BE AUTOMATICALLY ENROLLED IN THIS PROGRAM** unless you choose not to participate and opt-out.
- ✓ **YOU MUST RESPOND BY OCTOBER 19, 2026** if you do not wish to be automatically enrolled.

YOU WILL NOT NOTICE ANY CHANGE IN YOUR ELECTRICITY SERVICE. The only difference you will see is that First Point will be printed under the “Supply Services” section of your monthly bill. You will continue to receive one bill from National Grid. You will continue to send your payments to National Grid for processing. National Grid will continue to respond to emergencies, read meters and maintain the distribution and transmission lines. Reliability and quality of service will remain the same. Furthermore, you will continue to have all existing consumer rights and protections.

**GreenUp options are available for \$0.022-\$0.05 per kWh in addition to National Grid’s Basic Service rate.

IMPORTANT INFORMATION

- At present, the aggregation rate is lower than National Grid’s Basic Service rate. The aggregation rate is in effect for 32 months while National Grid’s Basic Service rate changes twice a year, in February and August. As a result, the aggregation rate may not always be lower than National Grid’s Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against National Grid’s Basic Service rate. However, **FUTURE SAVINGS CANNOT BE GUARANTEED.**
- There is **NO CHARGE TO OPT-OUT** of the Program and return to National Grid Basic Service.

« SEE BACK FOR ADDITIONAL INFORMATION »

ALL BASIC SERVICE CONSUMERS who have been mailed this notification will be AUTOMATICALLY enrolled in the Program and start benefiting from the aggregation rate beginning on the day of the month in November 2026 that your meter is read. This date varies by service area. Your meter reading date is shown on your bill.

WATCH YOUR NATIONAL GRID BILL FOR FURTHER NOTIFICATION of the Program.

- Your November 2026 bill will state that you are being switched to New Marlborough’s Program.
- Your December 2026 bill will show New Marlborough’s supplier and aggregation rate under “Supply Services”.

BUDGET PLAN OR ELIGIBLE LOW-INCOME RATE CONSUMERS will continue to receive those benefits from National Grid.

SOLAR PANEL AND COMMUNITY SOLAR CONSUMERS will continue to receive net metering or on-bill credits while receiving electricity supply under the Program and the value of these credits will not be altered by participating in the Program.

ANY APPLICABLE TAXES WILL BE BILLED as part of the Program’s power supply charge. You will be responsible for identifying and requesting an exemption from the collection of taxes by providing appropriate documentation.

TAX EXEMPT SMALL BUSINESS CONSUMERS must email or fax a copy of their Energy Exemption Certificate directly to First Point at enroll@firstpointpower.com or (877) 206-4855 (fax) in order to maintain their tax exempt status.

IF YOU HAVE ALREADY CHOSEN A SUPPLIER ON YOUR OWN you must opt-out of this Program. This will ensure you continue to get your electricity from that supplier.

IF YOU HAVE ALREADY CHOSEN A GREEN POWER SUPPLY OPTION THROUGH NATIONAL GRID you must opt-out of this Program. This will ensure you continue to get your electricity from that Green Power Supply.
