DO NOT DISCARD – IMPORTANT Notice Regarding Electricity Rates

THE TOWN OF SOUTHWICK'S COMMUNITY CHOICE POWER SUPPLY PROGRAM CONSUMER NOTIFICATION

August 14, 2026

Dear Southwick Basic Service Consumer:

The Town of Southwick is pleased to announce that **First Point Power** (“First Point”) has been selected as the supplier for its Community Choice Power Supply Program (“Program”). This Program is a municipal aggregation which enables local government to combine the purchasing power of its residents and businesses to provide them with an alternative to Eversource Basic Service (M.G.L. c. 164, § 134). This Program only affects the supply portion of your monthly bill. It will not affect the delivery portion of your monthly bill. Eversource will continue to deliver your electricity but Southwick has chosen the supplier for the Program. First Point will provide electric power supply for all consumers currently on Basic Service in Southwick. This letter is intended to tell you about this Program for electric power supply. In accordance with state law, it also informs you of your rights and options if you choose not to participate in the Program.

- ✓ **YOU WILL BE AUTOMATICALLY ENROLLED IN THIS PROGRAM** unless you choose not to participate and opt-out.
- ✓ **YOU MUST RESPOND BY SEPTEMBER 17, 2026** if you do not wish to be automatically enrolled.

YOU WILL NOT NOTICE ANY CHANGE IN YOUR ELECTRICITY SERVICE. The only difference you will see is that First Point will be printed under the “Supplier Services” section of your monthly bill. You will continue to receive one bill from Eversource. You will continue to send your payments to Eversource for processing. Eversource will continue to respond to emergencies, read meters and maintain the distribution and transmission lines. Reliability and quality of service will remain the same. Furthermore, you will continue to have all existing consumer rights and protections.

IMPORTANT INFORMATION

- At present, the Residential, Small C&I and Streetlight aggregation rate is lower than Eversource’s Basic Service rate. The aggregation rate is fixed for 35 months while Eversource’s Basic Service rate changes twice a year, in February and August. As a result, the aggregation rate may not always be lower than Eversource’s Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against Eversource’s Basic Service rate. However, **FUTURE SAVINGS CANNOT BE GUARANTEED.**
- There is **NO CHARGE TO OPT-OUT** of the Program and return to Eversource Basic Service.

« SEE BACK FOR ADDITIONAL INFORMATION »

ALL BASIC SERVICE CONSUMERS who have been mailed this notification will be AUTOMATICALLY enrolled in the Program and start benefiting from the aggregation rate beginning on the day of the month in October 2026 that your meter is read. This date varies by service area. Your meter reading date is shown on your bill.

WATCH YOUR EVERSOURCE BILL FOR FURTHER NOTIFICATION of the Program.

- Your October 2026 bill will state that you are being switched to Southwick’s Program.
- Your November 2026 bill will show Southwick’s supplier and aggregation rate under “Supplier Services”.

BUDGET PLAN OR ELIGIBLE LOW-INCOME RATE CONSUMERS will continue to receive those benefits from Eversource.

SOLAR PANEL AND COMMUNITY SOLAR CONSUMERS will continue to receive net metering or on-bill credits while receiving electricity supply under the Program and the value of these credits will not be altered by participating in the Program.

ANY APPLICABLE TAXES WILL BE BILLED as part of the Program’s power supply charge. You will be responsible for identifying and requesting an exemption from the collection of taxes by providing appropriate documentation.

TAX EXEMPT SMALL BUSINESS CONSUMERS must email or fax a copy of their Energy Exemption Certificate directly to First Point at enroll@firstpointpower.com or (877) 206-4855 (fax) in order to maintain their tax exempt status.

IF YOU HAVE ALREADY CHOSEN A SUPPLIER ON YOUR OWN you must opt-out of this Program. This will ensure you continue to get your electricity from that supplier.

IF YOU HAVE ALREADY CHOSEN A GREEN POWER SUPPLY OPTION THROUGH EVERSOURCE your participation in this Program will not affect your participation in that Green Power Supply.
