THE TOWN OF TEWKSBURY'S

COMMUNITY CHOICE POWER SUPPLY PROGRAM

The Town of Tewksbury is announcing the new rates and term for its Community Choice Power Supply Program through its current electricity supplier, **Dynegy Energy Services**. The Town's new aggregation rates are fixed **for all rate classes for 24 months (December 2026 to December 2028)** as follows:

Program Product	**Current Rate** (Supply Only)	**New Rate** (Supply Only)	**Renewable Energy Content****
Standard (default)*	$0.13056 per kWh	$0.16350 per kWh	Meets MA renewable energy requirements
Optional Green 5*	$0.12855 per kWh	$0.16535 per kWh	5% MA Class I RECs above minimum state requirements
Optional Green 25	$0.13859 per kWh	$0.17260 per kWh	25% MA Class I RECs above minimum state requirements
***Note: The renewable energy content of these product offerings has changed. If you're currently enrolled in Standard or Optional Basic (new name Optional Green 5), you'll be automatically moved to Standard at the new rate. Optional Green 25 will be moved to Optional Green 25 at the new rate.**			
[Rates apply to service beginning and ending on the days of the month that your meter is read in your service area. This date varies by account.]			
***For a detailed breakdown of MA renewable energy requirements by year, please visit colonialpowergroup.com/massachusetts-renewable-energy-requirement.*			

For comparison purposes, National Grid's Basic Service rates are fixed from August 1, 2026 through January 31, 2027 -- Residential at $0.17185 per kWh and Commercial at $0.15568 per kWh.

No action is required by individual consumers. All accounts currently enrolled in the Town's Program will continue to see Dynegy printed under the "Supply Services" section of their monthly bill. This rate change will be seen on the January 2027 bills. Consumers with questions about the Program should call Colonial Power Group, the Town's aggregation consultant, at (866) 485-5858 ext. 1.

For more detailed information about the Town's Program, including how to OPT-OUT or OPT-IN, to change your current product selection, or to access National Grid's Basic Service rates, please visit colonialpowergroup.com/tewksbury or call Dynegy at (866) 220-5696. You may OPT-OUT or OPT-IN at any time in the future with NO CHARGE.

Basic Service rates change twice a year or more, depending on rate class. As a result, the aggregation rate may not always be lower than the Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against National Grid Basic Service. However, future savings cannot be guaranteed.
