Este é um aviso importante. Queira mandá-lo traduzir.

THE TOWN OF PLYMOUTH'S COMMUNITY CHOICE POWER SUPPLY PROGRAM

The Town of Plymouth is announcing the new rate and term for its Community Choice Power Supply Program through its new electricity supplier, **First Point Power**. The Town's new aggregation rate is fixed **for all rate classes for 48 months** as follows:

Term	Current Rate (Supply Only)		New Rate (Supply Only)	Renewable Energy Content*
	June - August 2025	September 2025		
October 2025 to October 2029	\$0.14733 per kWh	\$0.13940 per kWh	\$0.13552 per kWh	100% renewable. Includes 37% National Wind RECs.
<i>[Rate applies to service beginning and ending on the days of the month that your meter is read in your service area. This date varies by account.]</i>				
<i>*For a detailed breakdown of MA renewable energy requirements by year, please visit colonialpowergroup.com/massachusetts-renewable-energy-requirement.</i>				

For comparison purposes, Eversource's Basic Service rates are fixed from August 1, 2025 through January 31, 2026 -- Residential at \$0.14884 per kWh and Small Commercial & Industrial at \$0.15150 per kWh.

No action is required by individual consumers. All accounts currently enrolled in the Town's Program will be switched to First Point as of the October 2025 meter reads. This change will be noted on the October 2025 bills and will be seen on the November 2025 bills. Consumers with questions about the Program should call Colonial Power Group, the Town's aggregation consultant, at (866) 485-5858 ext. 1.

For more detailed information about the Town's Program, including how to OPT-OUT or OPT-IN, or to access Eversource's Basic Service rates, please visit colonialpowergroup.com/plymouth or call First Point at (888) 875-1711. You may OPT-OUT or OPT-IN at any time in the future with NO CHARGE.

Basic Service rates change twice a year or more, depending on rate class. As a result, the aggregation rate may not always be lower than the Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against Eversource Basic Service. However, future savings cannot be guaranteed.
