The Town of Franklin is announcing the new rates and term for its Community Choice Power Supply Program through its new electricity supplier, **First Point Power**. The Town's new aggregation rates are fixed **for all rate classes for 36 months (November 2025 to November 2028)** as follows:

Program Product	Current Rate (Supply Only)	New Rate (Supply Only)	Renewable Energy Content**

*Note: The renewable energy content of this product offering has changed. See colonialpowergroup.com/franklin for additional information.			
<i>[Rates apply to service beginning and ending on the days of the month that your meter is read in your service area. This date varies by account.]</i>			
**For a detailed breakdown of MA renewable energy requirements by year, please visit colonialpowergroup.com/massachusetts-renewable-energy-requirement.			

For comparison purposes, Eversource's Basic Service rates are fixed from August 1, 2025 through January 31, 2026 -- Residential at \$0.14884 per kWh and Small Commercial & Industrial at \$0.15150 per kWh.

No action is required by individual consumers. All accounts currently enrolled in the Town's Program will be switched to First Point as of the November 2025 meter reads. This change will be noted on the November 2025 bills and will be seen on the December 2025 bills. Consumers with questions about the Program should call Colonial Power Group, the Town's aggregation consultant, at (866) 485-5858 ext. 1.

For more detailed information about the Town's Program, including how to OPT-OUT or OPT-IN, to change your current product selection, or to access Eversource's Basic Service rates, please visit colonialpowergroup.com/franklin or call First Point at (888) 875-1711. You may OPT-OUT or OPT-IN at any time in the future with NO CHARGE.

Basic Service rates change twice a year or more, depending on rate class. As a result, the aggregation rate may not always be lower than the Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against Eversource Basic Service. However, future savings cannot be guaranteed.
