Dear Resident,

I am pleased to announce the start of Manchester-by-the-Sea's Municipal Energy Aggregation Program. The goal of this program is to leverage the Town's collective purchasing power, through buying bulk electricity, to secure lower rates and more renewable energy choices for residents. All residents currently on National Grid's Basic Service will be automatically enrolled in the Standard Plan on their December 2025 meter read if they do not opt-out by *November 18*. However, this program is voluntary, and residents will always have the choice to opt in or out at any time, and at no cost.

The development of this program began in 2023 at the Annual Town Meeting where residents voted and approved Article 15 to allow the Select Board to enter a Municipal Energy Aggregation contract. After a detailed review and public comment period, a final plan was approved by the Select Board and on September 16, 2025, the Town executed a 35-month energy supply contract with Dynegy. The plan contains three electricity supply alternatives for residents to consider, Standard Service, Optional Green 10, and Optional Green 100. Complete details on each option are explained in this mailing and online at [colonialpowergroup.com/manchester-by-the-sea/](https://colonialpowergroup.com/manchester-by-the-sea/).

Residents can expect an average savings of \$8 per month, on the Standard Plan, starting with the January 2026 bill based on a comparison between National Grid's current electricity rates and the fixed rates offered by Dynegy. Yet, the Town will continue to monitor National Grid's variable rate, which changes every six months in February and August, and will communicate these updates to residents.

Customers currently enrolled with a third-party competitive supplier will not automatically be enrolled in the Town's Municipal Aggregation program. They will receive separate notifications and are advised to contact their supplier directly.

Finally, any questions can be directed to Colonial Power Group, Inc., an independent energy consulting company that specializes in helping local municipalities to create and manage energy aggregation programs. A public forum is scheduled for **Thursday, October 23 at 6:30 PM** to answer questions and residents are invited to participate in person at Town Hall Room #5 or virtually on Zoom.

It is our hope that this program will provide residents with improved cost stability and additional sustainable alternatives to consider.

Sincerely,

Tony Barletta  
Town Administrator

# THE TOWN OF MANCHESTER-BY-THE-SEA’S COMMUNITY CHOICE POWER SUPPLY PROGRAM CONSUMER NOTIFICATION

October 15, 2025

Dear Manchester-by-the-Sea Basic Service Consumer:

The Town of Manchester-by-the-Sea is pleased to announce that **Dynegy Energy Services** (“Dynegy”) has been selected as the supplier for its Community Choice Power Supply Program (“Program”). This Program is a municipal aggregation which enables local government to combine the purchasing power of its residents and businesses to provide them with an alternative to National Grid Basic Service (M.G.L. c. 164, § 134). This Program only affects the supply portion of your monthly bill. It will not affect the delivery portion of your monthly bill. National Grid will continue to deliver your electricity but Manchester-by-the-Sea has chosen the supplier for the Program. Dynegy will provide electric power supply for all consumers currently on Basic Service in Manchester-by-the-Sea. This letter is intended to tell you about this Program for electric power supply. In accordance with state law, it also informs you of your rights and options if you choose not to participate in the Program.

- ✓ **YOU WILL BE AUTOMATICALLY ENROLLED IN THIS PROGRAM** unless you choose not to participate and opt-out.
- ✓ **YOU MUST RESPOND BY NOVEMBER 18, 2025** if you do not wish to be automatically enrolled.

**YOU WILL NOT NOTICE ANY CHANGE IN YOUR ELECTRICITY SERVICE.** The only difference you will see is that Dynegy will be printed under the “Supply Services” section of your monthly bill. You will continue to receive one bill from National Grid. You will continue to send your payments to National Grid for processing. National Grid will continue to respond to emergencies, read meters and maintain the distribution and transmission lines. Reliability and quality of service will remain the same. Furthermore, you will continue to have all existing consumer rights and protections.

## COMPARATIVE RATES AND TERMS

\*Rate includes Consultant Services Fee of \$0.001 per kWh to facilitate Manchester-by-the-Sea’s Community Choice Power Supply Program.

\*Rate may increase as a result of a change in law that results in a direct, material increase in costs during the term of the contract.

\*\*GreenUp options are available for \$0.022-\$0.038 per kWh in addition to National Grid’s Basic Service rate.

## IMPORTANT INFORMATION

- At Program launch, the aggregation rate is lower than National Grid’s Basic Service rate. The aggregation rate is fixed for 35 months while National Grid’s Basic Service rate changes twice a year, in February and August. As a result, the aggregation rate may not always be lower than National Grid’s Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against National Grid’s Basic Service rate. However, **FUTURE SAVINGS CANNOT BE GUARANTEED.**
- There is **NO CHARGE TO OPT-OUT** of the Program and return to National Grid Basic Service.

« SEE BACK FOR ADDITIONAL INFORMATION »

**ALL BASIC SERVICE CONSUMERS** who have been mailed this notification will be AUTOMATICALLY enrolled in the Program and start benefiting from the aggregation rate beginning on the day of the month in December 2025 that your meter is read. This date varies by service area. Your meter reading date is shown on your bill.

**WATCH YOUR NATIONAL GRID BILL FOR FURTHER NOTIFICATION** of the Program.

- Your December 2025 bill will state that you are being switched to Manchester-by-the-Sea’s Program.
- Your January 2026 bill will show Manchester-by-the-Sea’s supplier and aggregation rate under “Supply Services”.

**BUDGET PLAN OR ELIGIBLE LOW-INCOME RATE CONSUMERS** will continue to receive those benefits from National Grid.

**SOLAR PANEL AND COMMUNITY SOLAR CONSUMERS** will continue to receive net metering or on-bill credits while receiving electricity supply under the Program and the value of these credits will not be altered by participating in the Program.

**ANY APPLICABLE TAXES WILL BE BILLED** as part of the Program’s power supply charge. You will be responsible for identifying and requesting an exemption from the collection of taxes by providing appropriate documentation.

**TAX EXEMPT SMALL BUSINESS CONSUMERS** must send, email or fax a copy of their Energy Exemption Certificate directly to Dynegy Energy Services Attn: Customer Care at P.O. Box 650764, Dallas, TX 75265 or [Salestax\\_geotax@vistraenergy.com](mailto:Salestax_geotax@vistraenergy.com) (email) or (866) 257-1795 (fax) in order to maintain their tax exempt status.

**IF YOU HAVE ALREADY CHOSEN A SUPPLIER ON YOUR OWN** you must opt-out of this Program. This will ensure you continue to get your electricity from that supplier.

**IF YOU HAVE ALREADY CHOSEN A GREEN POWER SUPPLY OPTION THROUGH NATIONAL GRID** you must opt-out of this Program. This will ensure you continue to get your electricity from that Green Power Supply.

**HOW TO OPT-OUT**

- Sign and return the enclosed opt-out card in the postage paid envelope provided; **OR**
- Visit [colonialpowergroup.com/manchester-by-the-sea](http://colonialpowergroup.com/manchester-by-the-sea) and click the opt-out button, then fill out and submit the Opt-Out Form; **OR**
- Call Dynegy at (866) 220-5696 and ask to remain on National Grid Basic Service.

**ANY TIME AFTER ENROLLMENT** you can still opt-out with NO CHARGE. It may take a couple of billing cycles before you are back on National Grid Basic Service. If you choose to opt-out after the initial enrollment, you may submit an Opt-Out form at [colonialpowergroup.com/manchester-by-the-sea](http://colonialpowergroup.com/manchester-by-the-sea) **OR** call Dynegy at (866) 220-5696 and ask to be placed on National Grid Basic Service.

**TO CHOOSE A PRODUCT WITH A HIGHER PERCENTAGE OF RENEWABLE ENERGY** visit [colonialpowergroup.com/manchester-by-the-sea](http://colonialpowergroup.com/manchester-by-the-sea) or you may call Dynegy at (866) 220-5696 and ask to be enrolled in one of the following products:

- **Manchester-by-the-Sea’s Optional Green 10 Product** provides 10% MA Class I RECs above the state’s then-current requirement for these renewables [27% in 2025; 30% in 2026; 33% in 2027; 36% in 2028]. This product is being offered at \$0.14524 per kWh for 35 months (December 2025 to November 2028).
- **Manchester-by-the-Sea’s Optional Green 100 Product** provides 100% MA Class I RECs achieved by purchasing 73% additional Renewable Energy Certificates (RECs) above the state’s current requirement for these renewables. This product is being offered at \$0.16790 per kWh for 35 months (December 2025 to November 2028).

**THROUGHOUT THE LIFE OF THE PROGRAM** each subsequent contract may vary by rate, term and possibly supplier. You will be automatically enrolled in the next contract at the new aggregation rate unless you opt-out. The new aggregation rate may be higher or lower than the current rate and the voluntary renewable energy content may change. There will be advance notice of each automatic renewal to inform you of your supply options should you choose to opt-out.
