For comparison purposes, Eversource's Basic Service rates are fixed from August 1, 2025 through January 31, 2026 -- Residential at \$0.13493 per kWh and Small Commercial & Industrial at \$0.13271 per kWh. Eversource's Basic Service rates will change on February 1, 2026.

No action is required by individual consumers. All accounts currently enrolled in the Town's Program will be switched to First Point as of the January 2026 meter reads. This change will be noted on the January 2026 bills and will be seen on the February 2026 bills. Consumers with questions about the Program should call Colonial Power Group, the Town's aggregation consultant, at (866) 485-5858 ext. 1.

For more detailed information about the Town's Program, including how to OPT-OUT or OPT-IN, to change your current product selection, or to access Eversource's Basic Service rates, please visit colonialpowergroup.com/whately or call First Point at (888) 875-1711. You may OPT-OUT or OPT-IN at any time in the future with NO CHARGE.

Basic Service rates change twice a year or more, depending on rate class. As a result, the aggregation rate may not always be lower than the Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against Eversource Basic Service. However, future savings cannot be guaranteed.
